Dear Secretary:

Several months ago Mr. Michael G. Calderon developed a program format designed towards the Hispanic community. This program reflected the diversity of the Hispanic culture through music, public service announcements (PSAs) and creating a space for dialogue amongst the community.

Therefore, I am asking as a member of the Hispanic community to reinstate "Rule Making 9242" for Mr. Calderon's Hispanic radio station which will enable to operate at full capacity and will once again provide the Hispanic community of Greater Kansas City the cultural information that has been absent.

Sincerely,

Federico Lopez
